

Visiting Jerry Aylesworth

Jerry Aylesworth has been living at Crouse Community Center in Morrisville. He likes hanging out at the nurses' station so he can watch the comings and goings. Nick and Gale visited him and brought him some birthday cake from Anne Hill's celebration at church for her August 2nd 90th birthday! He couldn't wait to dig in!

Unfortunately, on August 17th Jerry left this world to be with our Lord. The service will be at a later date to be scheduled when it will be convenient for the family.

Jerry, you will be missed.

Lunch in the Park

On Aug. 8 several Oneida area churches provided a free lunch in Higginbotham Park for anyone who wished to join us. Unfortunately the weather was drizzily but we were under a pavilion and shared both food, conversations and information with those who visited. St. John's was amply represented: Leslie Z., Fr. Nick, Ann H., Val H., Leann Y. Not pictured: Gloria W., Suzanne B., Shelly S. Colette C.
